Proclaiming Truth, Providing Help

"To serve as a missions resource ministry providing equipment, literature, finances and many other forms of practical help to Churches, missionaries and ministries around the world."

Dear friends,

The above sentence is a quote from the mission statement of Lifeline International.

If you have been in touch with this ministry very long you already know **Lifeline International is committed to be a point of supply for any need we discover that will advance the spread of the gospel.** There's always a project in the works to supply something somewhere. Other than leading someone to Christ, it is one of the most enjoyable aspects of this ministry.

*Communications with our Lifeline team in China was greatly improved with the gift of a new laptop. Thank you **Resurrection Life Church** in Ionia, Michigan for meeting the need!*

Lifeline International is not a benevolent ministry that feeds the poor or houses orphans. Because ours is an evangelistic ministry, **we have limited our projects to those directly related to the training of leaders and the communication of the Gospel.**

That can mean supplying bibles, tracts and equipment or assisting missionaries to raise ministry funds. We also partner with other worthy ministries that are doing the same work. **It is all part of being a "Lifeline" to the nations.**

And it is extremely rewarding! If you could witness the expression of thanks to God when a poor African pastor is being given a much needed bicycle for his work or watch a Chinese worker receive his first study bible, you would be hooked for life on being a supplier. **The words of Jesus ring loud and clear "It is more blessed to give than to receive."**

We also love to see the eagerness of believers who respond to these needs. **It seems that many of our readers can't wait to leap on the next opportunity!** We thank God for the generous way that you partner with us.

Because He so loved the World,

Brother Bill

Venezuela

This month our ministry team is back in Valencia, Venezuela. Our first task is a youth camp. The youth made a special request for us to come and host the three day event. Afterward

we have several Churches to visit and finally we hold another leadership summit for area workers and pastors. It looks like a busy two weeks.

Want to send a special blessing to a laborer in Venezuela?

This is it! In the past we have supplied study bibles and computer programs for the leaders. This year we want to provide Spanish worship CDs. **\$25 and a letter from you will really encourage one of these servants of God! We will need about 100 CDs.**

I also asked the leaders what resource material I could bring. They said, "NIV bibles in Spanish for their new believers we are discipling." What a blessing! **The cost of these bibles is \$10.**

Anything you designate toward these needs will be greatly appreciated by your Church family in the Venezuela.

Breaking for a luncheon at the leadership summit

sup·ply [sə pli']

1. to provide, give, or make available something that is wanted or needed by somebody
2. to satisfy a need
3. to make up for a deficiency, loss, or lack

In September, our team will travel back to Inner Mongolia. Our main mission will be to supply the need in the countryside for training and instruction in the Word of God.

One easy solution is to install satellite receiving systems at the house Church locations. Bible teaching and Church services are broadcast from locations outside China. **At a cost of only \$53, it's a no brainer!** This is going to be fun!
