The Global Prayer Revival

Throughout Church history, every outpouring of the Spirit has begun with a movement of prayer. From the day of Pentecost to the Jesus movement; the Moravian, Azusa Street, Welch revival, the great awakening and many more, all were the result of a outpouring of the spirit of prayer.

And now, the biggest movement of prayer ever in world history is happening all over the globe. Over the last decade, the Church worldwide has begun to wake up to prayer in a way that should thrill any student of Church history. I believe this prayer movement will birth revival for this generation.

In 1983, when Mike Bickle was 27 years old, an elder prophet named **Bob Jones prophesied to him that he would lead a youth movement of prayer and worship in Kansas City that would birth a revival that would “touch the ends of the earth.”** Since then many thousands of young people have connected to his ministry.

The 8 year prayer meeting

On September 19, 1999, Mike Bickle began the International House of Prayer (IHOP), which is a 24/7 house of prayer. This non-stop worship and prayer has been going up to the heavens everyday and every night at the International House of Prayer for eight solid years.

Now the movement is taking off worldwide, with hundreds of groups feeling the call. Since IHOP began, nearly 200 houses of prayer have sprung up

My ministry base. (Yep, that's me on the left)

around the world (This is a conservative number given by a journalist. I estimate a number to be more.) There are also countless other prayer ministries in the nations of the earth that have their own expression of prayer.

Just as Church history has shown time and time again, I believe that this prayer movement is going to bring about a global outpouring of the Spirit. **I see this prayer movement as an answer to the present crisis of spiritual darkness in my generation.** Another Great Awakening is needed and I believe that we are in the very beginning of it.

Upcoming Ministry Events

Being on staff I also serve at the conferences and ministry events held here in Kansas city. Here is an upcoming ministry event that I will be a part of.

The Call

This month, my family will be coming to Kansas City to join me for a day of prayer at "THE CALL" in Kansas City.

The Call is a movement emphasizing prayer, worship and fasting for Spiritual breakthrough and national revival. It a grassroots, cross-cultural and cross-denominational prayer gathering joining the generations. The primary participants are young people. The musicians on stage are worshippers, not entertainers

This summer we met at *the Call in Nashville* for the day of fasting and prayer with 60,000 believers. It was a very powerful time of prayer and holy moment for the Otten family. **The next call will be held in Cincinnati at the US Bank Arena on January 12.**

Personally

Dear Friends and family,

This newsletter is a report that I will send out a couple of times a year. I want to keep you up to date on my work as an intercessory missionary and inform you of some of what God is doing in the earth in regard to prayer. (*Those who are supporting me financially will receive news from me every month.*)

I want you to know how excited and blessed I am right now to be on the forefront of a movement that is sweeping the earth. Prayer

houses are being raised up in every city in our nation. We need a national revival, and prayer can change the course of our nation.

I know am moving in the purpose of my life right now. I am one of many young bible students who are being shaped by prayer and fasting for the future of our nation. **I am still working toward my monthly financial support goal. Thank you for considering me as an investment in the Kingdom of God.**

I am in the prayer room on the *night watch* from midnight till 6am, so **please send me your prayer requests.**

I look forward to hearing from you.
