EVANGELISM

EQUIPPING

EMPOWERING

While coordinating the last months of our 2019 calendars, **Susan and I realized that we have completed 30 years of international ministry.** Thirty years? How did this happen? The answer to that question is not a hard one.

30 years of partnership

One aspect of our ministry that amazes us is the consistent support of our partners. In thirty years we have been able to keep our hands on the plow and continue our work non-stop and without concern.

The partners of Lifeline International are the reason for the consistent fruit produced through the years.

No gimmicks, no manipulation, no solicitation; just faithful givers who are obedient to God to fund the great commission.

Our responsibility has been to remain faithful and wise stewards, using the God ordained supply to further the proclamation of the Gospel. **We also hold the conviction that any eternal rewards gained will certainly be shared.**

30 years of friendship

The amount of love and encouragement given to us from dear friends over the years has sustained us through every season. **Our greatest wealth has not been measured in terms of riches but in relationships, and for these we are most thankful!**

The Mission

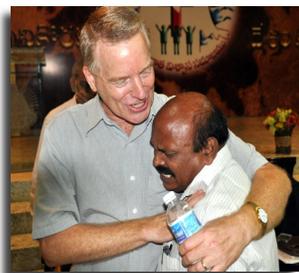

"Lifeline International Inc. exists for the promotion of the gospel of Jesus Christ around the world"

- Evangelism outreach
- Street ministry
- Crusades
- Church planting
- Leadership training
- Resource ministry

Supporting and partnering with national workers and ministries for evangelism, discipleship and church planting.

30 Years of Networking

As a trans local ministry, we have found our purpose in networking with missionaries and ministries around the world. Their church planting and discipleship efforts are greatly empowered with the additional gifts of the evangelist and teacher. **By conducting crusades and teaching seminars we build up and accelerate the kingdom work.** Training and funding national church workers has become a major part of our work.

Support for National Workers

30 Years of Equipping

Providing audio and video, equipment, bicycles, automobiles, computers, building materials and electronic gear to advance the gospel.

30 Years of Gratitude

For the many thousands that have been saved, healed, delivered and filled with the Spirit we are most grateful. We praise God for for all the churches that have been planted, buildings that have been built, bibles supplied and believers discipled. We have lost count of the number of amazing seasons and moments of God's power. The miracles we have see seen with our own eyes have served to fuel our worship of Him. Partnering with the Holy Spirit has been the joy of our lives.

Our thanks go to all the supporters of Lifeline International. Your gifts of support are appreciated and are put to work in the promotion of the gospel of Jesus Christ. May your reward be full from the Lord.

For those who have never heard,

Bill & Susan
